My name is Beda, I am a young man from Westminster.
This is a picture of me:

Here, you find the letter I have just written to my friend:

Dear friend,

I am going to join a crusade! A crusade is (define the word 'crusade':) _____

I feel (describe the feelings and expectation of the young crusader:) _____

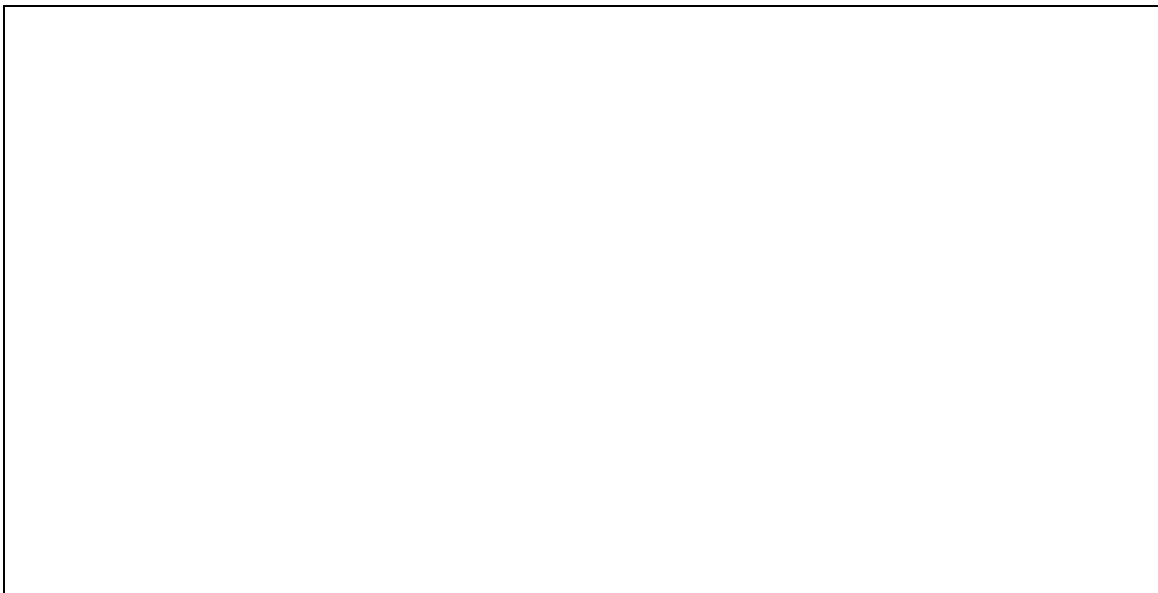

Pope Urban wants us to free Jerusalem from the Islamic infidels. Infidels are (define the word 'infidel':) _____

In fact, I do think this crusade is a holy war because (give at least one reason:) _____

Some say this war is not a holy war. They say (give at least one reason:) _____

But I do not trust them. Also, I am looking forward to see the Holy Land. The Holy Land is (define the term 'Holy Land':) _____

Furthermore, I am curious to see all the eastern places and goods I have only heard about so far, e. g. giraffes (name or draw at least 5 more goods and places the young crusader wants to see):

I think this crusade will be a big adventure! Now I have to finish. I hope to see you again next year. Take care. Your best friend
